**Spelldriver.** You are not longer restricted to casting a cantrip as a second spell however your second spell must be of 3rd level or lower.

**Turn Undead (Action—Channel Divinity).** Each undead that can see or hear you within 30 feet of you must make a Wisdom saving throw. A turned creature must spend its turns trying to move as far away from you as it can, and it can't willingly move to a space within 30 feet of you. It also can't take reactions. For its action, it can use only the Dash action or try to escape from an effect that prevents it from moving. If there's nowhere to move, the creature can use the Dodge action.

**Destroy Undead.** When an undead of CR 1/2 or lower fails its saving throw against your Turn Undead feature, the creature is instantly destroyed.

**Voice of Authority.** Immediately after you cast a spell on an ally using a spell slot of 1st level or higher, that ally can use their reaction to make one weapon attack against a target of your choice that you can see. If the spell targets more than one ally, you choose the ally who can make the attack.

**Order's Demand (Action—Channel Divinity).** You present your holy symbol, and each creature of your choice that can see or hear you within 30 feet of you must succeed on a Wisdom saving throw or be charmed by you until the end of your next turn or until the charmed creature takes any damage. The quiet seclusion of your extended hermitage gave you access to a unique and powerful discovery. The exact nature of this revelation depends on the nature of your seclusion. It might be a great truth about the cosmos, the deities, the powerful beings of the outer planes, or the forces of nature. It could be a site that no one else has ever seen. You might have uncovered a fact that has long been forgotten, or unearthed some relic of the past that could rewrite history. It might be information that would be damaging to the people who or consigned you to exile, and hence the reason for your return to society.

## Command

### 1st-level enchantment

|              |          |
|--------------|----------|
| CASTING TIME | 1 action |
| RANGE        | 60 feet  |
| DURATION     | 1 round  |
| COMPONENTS   | V        |

You speak a one-word command to a creature you can see within range. The target must succeed on a Wisdom saving throw or follow the command on its next turn. The spell has no effect if the target is undead, if it doesn't understand your language, or if your command is directly harmful to it. Some typical commands and their effects follow. You might issue a command other than one described here. If you do so, the DM determines how the target behaves. If the target can't follow your command, the spell ends.

**Approach.** The target moves toward you by the shortest and most direct route, ending its turn if it moves within 5 feet of you.

**Drop.** The target drops whatever it is holding and then ends its turn.

**Flee.** The target spends its turn moving away from you by the fastest available means.

**Grovel.** The target falls prone and then ends its turn.

**Halt.** The target doesn't move and takes no actions. A flying creature stays aloft, provided that it is able to do so. If it must move to stay aloft, it flies the minimum distance needed to remain in the air.

**At Higher Levels.** When you cast this spell using a spell slot of 2nd level or higher, you can affect one additional creature for each slot level above 1st. The creatures must be within 30 feet of each other when you target them.

Until the spell ends, the creature is immune to being frightened and gains temporary hit points equal to your spellcasting ability modifier at the start of each of its turns. When the spell ends, the target loses any remaining temporary hit points from this spell.

**At Higher Levels.** When you cast this spell using a spell slot of 2nd level or higher, you can target one additional creature for each slot level above 1st.

COMPONENTS

V, S, M (a drop of molasses)

You alter time around up to six creatures of your choice in a 40-foot cube within range. Each target must succeed on a Wisdom saving throw or be affected by this spell for the duration.

An affected target's speed is halved, it takes a -2 penalty to AC and Dexterity saving throws, and it can't use reactions. On its turn, it can use either an action or a bonus action, not both. Regardless of the creature's abilities or magic items, it can't make more than one melee or ranged attack during its turn.

If the creature attempts to cast a spell with a casting time of 1 action, roll a d20. On an 11 or higher, the spell doesn't take effect until the creature's next turn, and the creature must use its action on that turn to complete the spell. If it can't, the spell is wasted.

A creature affected by this spell makes another Wisdom saving throw at the end of each of its turns. On a successful save, the effect ends for it.

This armor consists of a fitted metal chest piece worn with supple leather. Although it leaves the legs and arms relatively unprotected, this armor provides good protection for the wearer's vital organs while leaving the wearer relatively unencumbered.

A holy symbol is a representation of a god or pantheon. It might be an amulet depicting a symbol representing a deity, the same symbol carefully engraved or inlaid as an emblem on a shield, or a tiny box holding a fragment of a sacred relic. Appendix PH-B "Fantasy-Historical Pantheons" lists the symbols commonly associated with many gods in the multiverse. A cleric or paladin can use a holy symbol as a spellcasting focus. To use the symbol in this way, the caster must hold it in hand, wear it visibly, or bear it on a shield.

A large gold bracelet.

Your exposure to the Feywild or one of its denizens has left a magical mark on you. You gain the following benefits:

- Increase your Intelligence, Wisdom, or Charisma score by 1, to a maximum of 20.
- You learn the misty step spell and one 1st-level spell of your choice. The 1st-level spell must be from the divination or enchantment school of magic. You can cast each of these spells without expending a spell slot. Once you cast either of these spells in this way, you can't cast that spell in this way again until you finish a long rest. You can also cast these spells using spell slots you have of the appropriate level. The spells' spellcasting ability is the ability increased by this feat.

Through intense focus, training, and dedication, you've harnessed the techniques of rapid spellcasting. You are no longer limited to only one non-cantrip spell per turn. However, should you cast two or more spells in a single turn, only one of them can be of 3rd level or higher.

As a conduit for divine power, you can cast cleric spells.

#### CANTRIPS

At 1st level, you know three cantrips of your choice from the cleric spell list. You learn additional cleric cantrips of your choice at higher levels, as shown in the Cantrips Known column of the Cleric table.

#### PREPARING AND CASTING SPELLS

The Cleric table shows how many spell slots you have to cast your cleric spells of 1st level and higher. To cast one of these spells, you must expend a slot of the spell's level or higher. You regain all expended spell slots when you finish a long rest.

You prepare the list of cleric spells that are available for you to cast, choosing from the cleric spell list. When you do so, choose a number of cleric spells equal to your Wisdom modifier + your cleric level (minimum of one spell). The spells must be of a level for which you have spell slots.

For example, if you are a 3rd-level cleric, you have four 1st-level and two 2nd-level spell slots. With a Wisdom of 16, your list of prepared spells can include six spells of 1st or 2nd level, in any combination. If you prepare the 1st-level spell cure wounds, you can cast it using a 1st-level or 2nd-level slot. Casting the spell doesn't remove it from your list of prepared spells.

You can change your list of prepared spells when you finish a long rest.

Preparing a new list of cleric spells requires time spent in prayer and meditation: at least 1 minute per spell level for each spell on your list.

#### SPELLCASTING ABILITY

Wisdom is your spellcasting ability for your cleric spells. The power of your spells comes from your devotion to your deity. You use your Wisdom whenever a cleric spell refers to your spellcasting ability. In addition, you use your Wisdom modifier when setting the saving throw DC for a cleric spell you cast and when making an attack roll with one.

**Spell save DC** = 8 + your proficiency bonus + your Wisdom modifier

**Spell attack modifier** = your proficiency bonus + your Wisdom modifier

#### RITUAL CASTING

You can cast a cleric spell as a ritual if that spell has the ritual tag and you have the spell prepared.

#### SPELLCASTING FOCUS

You can use a holy symbol as a spellcasting focus for your cleric spells.

The Order domain represents discipline, as well as service to a society or an institution, whether that service is rendered in obedience to or enforcement of the law—civil, religious, or both. Gods on many worlds grant access to this domain, including Bane, Tyr, Majere, Erathis, Pholtus, Wee Jas, Aureon, Maglubiyet, Nuada, Athena, Anubis, Forseti, and Asmodeus.

The ideal of order is obedience to the law above all else, rather than to a specific individual or the passing influence of emotion or popular rule. Clerics of order are typically concerned with how things are done, rather than whether an action's results are just. Following the law and obeying its edicts is critical, especially when it benefits these clerics and their deities.

More importantly, law establishes hierarchies. Those selected by the law to lead must be obeyed. Those who obey must do so to the best of their ability. In this manner, law creates an intricate web of obligations that allows society to forge order and security in a chaotic multiverse.

At 2nd level, you gain the ability to channel divine energy directly from your deity, using that energy to fuel magical effects. You start with two such effects: Turn Undead and an effect determined by your domain. Some domains grant you additional effects as you advance in levels, as noted in the domain description.

When you use your Channel Divinity, you choose which effect to create. You must then finish a short or long rest to use your Channel Divinity again.

Some Channel Divinity effects require saving throws.

When you use such an effect from this class, the DC equals your cleric spell save DC.

Beginning at 6th level, you can use your Channel Divinity twice between rests, and beginning at 18th level, you can use it three times between rests. When you finish a short or long rest, you regain your expended uses.

As an action, you present your holy symbol and speak a prayer censuring the undead. Each undead that can see or hear you within 30 feet of you must make a Wisdom saving throw. If the creature fails its saving throw, it is turned for 1 minute or until it takes any damage.

A turned creature must spend its turns trying to move as far away from you as it can, and it can't willingly move to a space within 30 feet of you. It also can't take reactions. For its action, it can use only the Dash action or try to escape from an effect that prevents it from moving. If there's nowhere to move, the creature can use the Dodge action.

Starting at 5th level, when an undead fails its saving throw against your Turn Undead feature, the creature is instantly destroyed if its challenge rating is at or below a certain threshold, as shown in the Destroy Undead table.

#### DESTROY UNDEAD

**Cleric Level**   **Destroys Undead of CR ...**

5th   1/2 or lower

8th   1 or lower

11th   2 or lower

14th   3 or lower

17th   4 or lower

Starting at 1st level, you can invoke the power of law to drive an ally to attack. Immediately after you cast a spell on an ally using a spell slot of 1st level or higher, that ally can use their reaction to make one weapon attack against a target of your choice that you can see. If the spell targets more than one ally, you choose the ally who can make the attack.

Starting at 2nd level, you can use your Channel Divinity to exert an intimidating presence over others.

As an action, you present your holy symbol, and each creature of your choice that can see or hear you within 30 feet of you must succeed on a Wisdom saving throw or be charmed by you until the end of your next turn or until the charmed creature takes any damage. You can also cause any of the charmed creatures to fall prone when they fail the saving throw.
